

PTA VOLUNTEER FORM

Volunteer Opportunities

with the 2011 - 2012 Phelps Luck PTA

There are many ways to volunteer at Phelps Luck Elementary School and lend your energy and ideas. The success of these activities depends on parent/teacher volunteer time and contributions. Please consider how you can volunteer your time and help the PTA reach its goals of raising funds, building community and enhancing our children's school experience. We encourage new volunteers and new ideas! **Please complete the form below, mark the activities that you would like to help with and return to your child's teacher by Thursday, September 29, 2011.**

On behalf of the PLES community and all PLES students we thank you for any time and effort you can offer. You will be contacted about the activities that you are interested in helping with.

Name of parents:

Name of Child(ren) and Grade(s):

Phone:

Email:

Each PTA sponsored activity and event that takes place at PLES requires one or two lead coordinators and a group of volunteers.
