

Let's make the Difference Together, and make this year the best EVER!

The Phelps Luck Elementary School PTA NEEDS YOU!

We all know that children get a better education when their parents or guardians are involved. And we also know there is strength in numbers.

This is why joining the PTA make so much sense. Your membership will help keep you in touch and involved, and support academic programs, such as the Science Fair, International Day, Bingo and much more.

The meetings are held on the first Wednesday of the month.
Attendance is encouraged, but not required.
